1.

Because the amount of the assessment as damages assessed

Because if said Streets ~~and said alleys~~ are widened, extended, opened and established as contemplated, it will take from him two lots of Forty foot frontage, and Twenty-eight (28) feet over, of the value of Fifteen Hundred (\$1500.00) Dollars; that it will necessitate the falling of a large willow shade tree; that it will cause the destruction of a great number of gooseberry bushed and raspberry bushes, fruit trees, and will cause the barn to be changed from where it now stands to a point across the alley, as contemplated, and if established, will cause the erection of new fences; by reason of which facts, he is damaged in the sum of Seventeen Hundred (\$1700.00) Dollars.
